## **Re: Danielle S. Tepper**

To Whom It May Concern,

I'm writing to you with a strong and very positive recommendation for Danielle Susan Tepper.

Danielle worked as an intern for *The Express* community newspaper based in Lock Haven, Pa. and as an editor with the *Eagle Eye* student newspaper of Lock Haven University of Pennsylvania.

Simply put, she is a joy to work with.

For the student newspaper, Danielle was a writer, entertainment editor and page-producer. For *The Express*, she worked as a feature writer, story editor, page producer, proofreader, and more.

We've found that Danielle is a self-starter, has a strong work ethic, and is intelligent, detail-oriented, creative, and dependable.

She puts in the time to make sure her work is done. Her writing is clean—typically error free—and we believe she would bring that type of effort to any job with which she is tasked.

She's a good communicator; she's a people person.

Honestly, we typically don't write recommendation letters for graduating students and even for employees moving on.

Danielle is an exception.

We strongly encourage you to consider Danielle as a valuable member of your team.

And certainly, if you have any questions or believe I can be helpful in any way, please do not hesitate to contact me at the phone numbers above or via my cell phone at 570-971-4132.

Sincerely,

*Robert O. Rolley, Jr.*
